

## Successful Applications Round 36

Community Station	Programme Pitch	€ Recommended	Programme language
Athlone Community Radio	The programmes on our permanent schedule require development and we propose to develop and execute a project called 'Community Takeover', which will support and develop existing programmes and ensure that staff, volunteers and contributors will be involved in developing, producing, editing and presenting 80 new programmes.	€36,000.00	English
Claremorris Community Radio	Claremorris Community Radio proposes to continue producing and development of three projects (Beannachtaí an Lae, The Becky Show Unfettered with Ola) and the production of two new programmes (Clárcast, Acting Locally).	€35,987.43	Bi or multi-lingual (with English)
Community Radio Castlebar	Ten new programmes that create an awareness of the particular impact of Covid - 19 on community life in Castlebar and the strategies being adopted to adjust to what is termed the "new normal" and how community life is viewed in the future.	€35,613.00	English
Community Radio Kilkenny City	Various programming and training initiatives, which through active participation and representation of local community actors, will facilitate the creation of more diverse content. It will include partnerships with several community based organisations to engage in the preparation, production and broadcasting of their content.	€31,584.00	English
Community Radio Youghal	The programming proposals facilitates community, minority and rural groups to produce and broadcast programmes for their own communities. We provide the facilities, advice, training and technical support required for community groups and individuals to make their own programmes. Four new programmes and one redeveloped programme.	€31,023.00	English
Connemara Community Radio	The project will involve a focus on outreach including 120 minute Community Outside broadcasts to highlight aspects of the economic, cultural and social aspects of various communities in Connemara. Arts on Air Primary School Collaboration/ Five 15-minutes programmes. Arts on Air Secondary School Training Arts will work with the QQI participants and the running of a series of radio workshops. Another key focus is the development of a Social Benefit Programming System to assist staff and volunteers to organise their work; to improve the quality of access by community and cultural organisations to the community radio resources; and to enable greater engagement with listeners.	€40,000.00	English
Cork Campus Radio - UCC FM	Programmes are researched, produced and presented by volunteers and the funding will support students and staff to produce issue-based programming, including Covid guidelines, student facilities, welfare, exams, course work, timetables, suicide awareness, sexual health and college policies	€17,188.00	Bi or multi-lingual (with English)
Dublin City FM	Dublin City FM is proposing to continue to develop and broadcast the following - Mental Fitness, Viva Cox, Community Chats, LGBTQ Life, Centre Stage, Looking Back, The Brazilian Coffee Time, Hello China, Hello Irelandia, The Russian Show, Rudaí Mar Sin, Ceoil agus Craic and a further two new programmes will be developed.	€29,900.00	Bi or multi-lingual (with English)
Dublin South 93.9FM	To focus on socially beneficial programming, as well as training and upskilling those volunteers who produce it, the capacity of our station is built up and our community is empowered. Seven new programmes shall be produced.	€34,167.00	English
Dundalk FM	This application contains the plan to create formal and informal partnerships with sports and community groups in Dundalk and the surrounding area and to provide access to the airwaves for them to highlight information and exchange of ideas and issues.	€25,000.00	English
Flirt FM	Our proposal is to continue our service, as we managed to, remotely during the start of lockdown and to provide the necessary supports for training and community outreach, in order to support students and as many community-based organisations and under-represented people in broadcasting.	€23,103.00	Bi or multi-lingual (with English)

Community Station	Programme Pitch	€ Recommended	Programme language
Life FM	Life FM is proposing to develop two series, The New Christian Life and Faith Stories. The New Christian Life and Faith Stories will "reflect the lives and aspirations of Cork's Christian community" (as set out in our Programme Policy Statement). By engaging with the local community, we will be giving a diverse range of parties a voice in difficult times and through the programming, we will provide an opportunity to develop the skills of the participants.	€30,000.00	English
Liffey Sound FM	7 projects which will impact the individuals and community actors involved by enhancing their lives socially and culturally. The projects will impact all stakeholders involved by bringing about a shift in how people view themselves, their capabilities, altering their attitude about themselves, and their willingness to engage in choices and options.	€30,675.00	Bi or multi-lingual (with English)
NEAR 90fm/Near TV	We want to continue to build Near FM as a trusted source of information for our community and to reflect the diversity of Irish society in our programming output and work practices. This project also allows us to develop and sustain Near FM and improve outcomes for all stakeholders, including management, operations, productions and broadcasting.	€40,000.00	Bi or multi-lingual (with English)
Phoenix FM	The grant would be used for the implementation of a new volunteer training course aimed at people specifically from more marginalised backgrounds who would normally find it difficult to interact with or have access to media. They will be given the opportunity to divide up the roles and responsibilities associated with making a programme	€35,000.00	English
Radio Corca Baiscinn	The development and production of three new projects, focused on community outreach and engagement; "Brothers of Charity", "Community Unity" and a bilingual Irish/English project "Smaointe". The projects are strongly associated with community organisations and include the development of existing relationships and highlighting community involvement.	€33,787.00	Bi or multi-lingual (with English)
Radió na Life	Radió na Life would like to increase opportunities available to the Irish Language community to participate in the station and also propose the development and the production of a new series, "Litreacha ón Phaindéim".	€29,825.00	Irish
Ros FM	"Rossie Community Connected" – Training initiatives and the redevelopment of current programmes to ensure a greater amount of community content by the community, and which will contribute to active participation and better socio-economic status of marginalised groups in Co. Roscommon, through implementing custom designed community focused radio programmes, utilising know-how and expertise existing in ROS FM.	€36,000.00	Bi or multi-lingual (with English)
Spirit Radio	The grant is being sought to finance the production and transmission of the radio series, "Stories of Hope", which will capture the experiences, struggles and learnings of people within the larger Christian community in Ireland. The series will feature people of all ages, cultures, backgrounds telling their own story.	€25,000.00	English
Tipperary Mid West Community Radio	The development and production of four new projects that will provide social benefit through outreach to, and training for, identified marginalised groups within the community.	€21,334.00	Bi or multi-lingual (with English)
West Limerick 102	The grant is to enable West Limerick 102fm to expand current programming and to produce entertaining, informative and engaging content for the wider community. The programmes will involve community groups in all stages and encourage listeners and community members to become active participants in the daily programming at the station.	€20,950.00	Bi or multi-lingual (with English)
Wired Fm	The grant is for several individual projects, but all are connected. It is to strengthen the quality of our broadcast content, training and retain new volunteers from marginalised communities, strengthen links with community and arts groups and organisations.	€26,886.00	English
