

Levy Calculation Table

2021 Estimate

Expected BAI Cost for the Year: €5,198,545

For variable levy payers (those whose qualifying income is greater than €500,000)

Levy can be calculated based on the levy percentages in the below table;

Base year qualifying income	Percentage Levy*
€1 to €1,000,000	2.24%
€1,000,001 to €10,000,000	1.99%
€10,000,001 to € 20,000,00	1.74%
€20,000,001 to €45,000,000	1.49%
Over €45,000,000	0.49%

* Percentage levy is rounded to two decimal places.

For de-minimus levy payers (those whose qualifying income is not more than €500,000)

A levy of €250 is payable (less any application fees which may have been payable).
